WAVE MIC ARM LP

LOW PROFILE MIC ARM

PRODUCT NAME / LISTING TITLE	Elgato Wave Mic Arm LP – Low profile swivel boom, hidden cable channels, all-metal, versatile desk clamp, 1/4"-3/8"-5/8" mic mounts, studio, broadcast, streaming, work from home, professional mic arm
PRODUCT DESCRIPTION	**LONG:** A studio-grade boom arm for your premium microphone, Wave Mic Arm LP sits below the shoulder line for an unobstructed view. 360-degree horizontal rotation and 90-degree vertical rotation allow maximum maneuverability. Integrated cable channels with magnetic covers keep your setup tidy, thread adapters ensure compatibility with standard mic mounts, and the padded clamp fits popular desk designs. Wave Mic Arm LP does more than free up space, reduce vibration, and optimize your audio quality. Push it aside when you need your workspace. Swing it back when you go live. And make a stunning impression on and off camera. **MEDIUM:** A studio-grade boom arm for your premium microphone, Wave Mic Arm LP sits below the shoulder line for an unobstructed view. 360-degree horizontal rotation and 90-degree vertical rotation allow maximum maneuverability. Integrated cable channels with magnetic covers keep your setup tidy, while thread adapters ensure compatibility with standard mic mounts. **SHORT:** A studio-grade boom arm for your premium microphone, Wave Mic Arm LP sits below the shoulder line for an unobstructed view.
