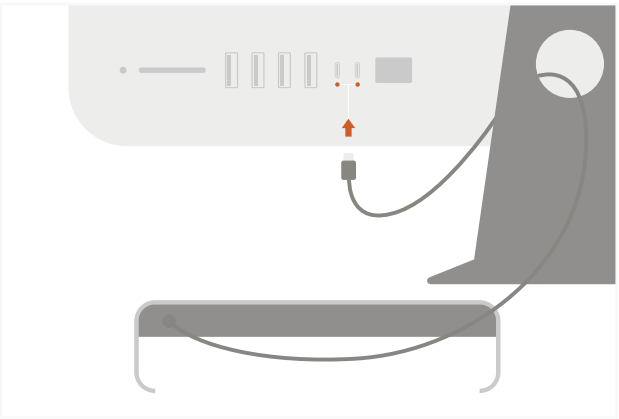
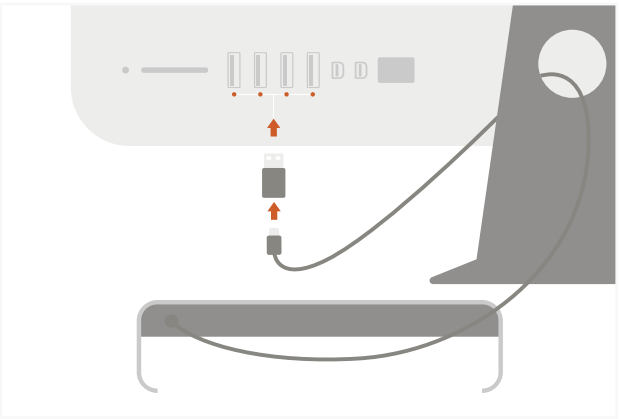
INSTRUCTIONAL GUIDE

TYPE-C ALUMINUM IMAC STAND

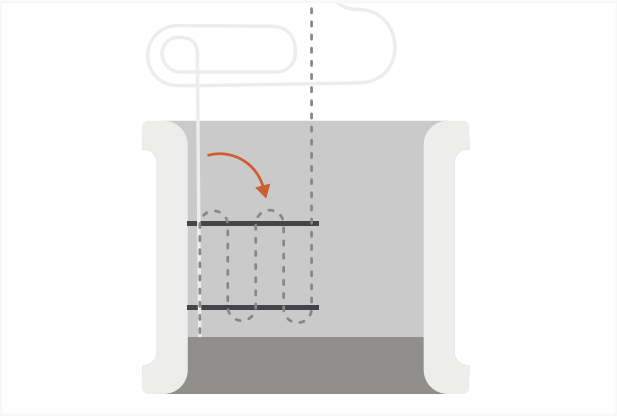
1. For iMac Pro & 2017 iMacs, connect the stand's cable to any open USB-C port on the backside of the iMac.



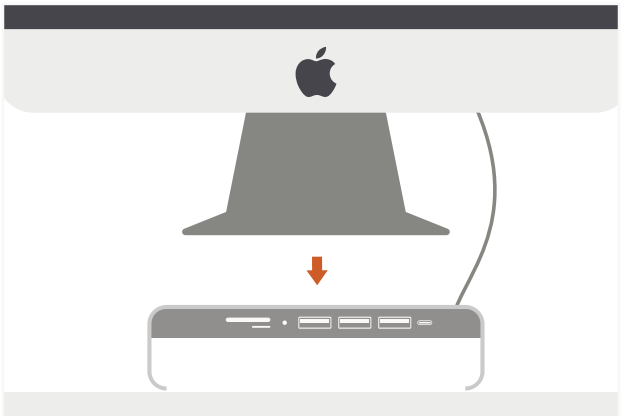
2. For 2016 & older iMacs, use the included Type-A to Type-C adapter to connect the stand's cable to any open USB-A port on the backside of the iMac.



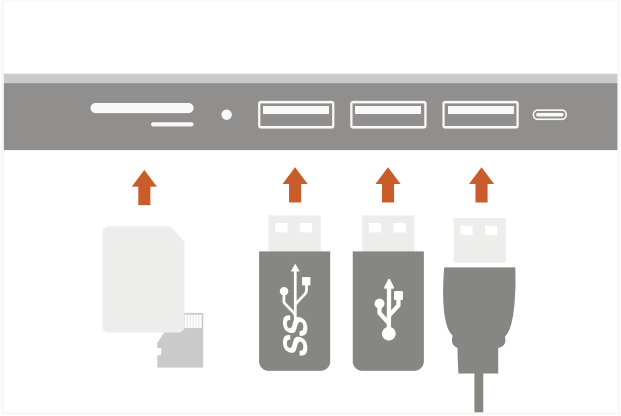
3. Organize the cable on the bottom side of the Stand.



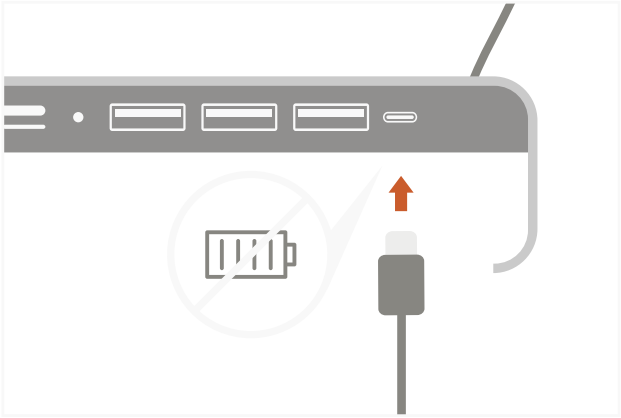
4. Place the stand on the desk or other flat surface and put iMac on it. Make sure that the ports are on the front side of the stand.



5. Connect your devices to USB 3.0 ports (up to 5 Gbps) and Micro/SD card reader slots (UHS-I, up to 104 Mbps).



6. USB-C port can be used for data transfer only. Charging through USB-C port is not supported.



COMPATIBILITY

Supports all Apple iMac models with included Type-A to Type-C adapter
