## D-Link DES-1005P Hallitsematon L2 Fast Ethernet (10/100) Power over Ethernet -tuki musta

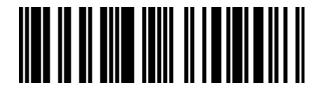

Tuotemerkki : D-Link

Tuotekoodi: DES-1005P/E

Tuotteen nimi : DES-1005P

D-Link DES-1005P. Kytkin tyyppi: Hallitsematon, Kytkinkerros: L2. Peruskytkentä RJ-45 Ethernet-porttien tyyppi: Fast Ethernet (10/100), Basic kytkentä RJ-45 Ethernet-porttien määrä: 5. Täysin kaksipuolinen. MAC-osoitetaulukko: 2000 entries. Verkkostandardit: IEEE 802.1p, IEEE 802.3, IEEE 802.3az, IEEE 802.3u, IEEE 802.3x. Virtaliitin: DC-tulo jakkiliitin. Power over Ethernet -tuki

| Management features                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Operational conditions                                                 |                                |
