

UHF15A OUTDOOR ANTENNA

Features

- Designed for reception of digital UHF terrestrial TV channels
- High quality materials approved for outdoor use ensure long lifespan
- Pre-mounted elements for easy installation
- Total gain: App. 24 dB
- Waterproof dipole box suitable for F-connector

Technical specifications

Type:	Active
Beam width (H/V):	Horizontal 42° / Vertical 55°
Connector:	F-connector
Channels:	CH 21-60
Frequency:	470 – 790 MHz
Elements:	15
Front / back ratio:	24 dB
Gain:	12 – 18 dB
Impedance:	75 Ohm
Amplifier voltage:	DC 5-24V
Insertions loss:	0.8 dB
Power inserter DC output:	DC 12V max 100 mA
Power supply unit input:	110 – 230 V AC 50Hz/60Hz

Dimensions and weight:

Unit Size(Lenght):	740 mm
Unit weight(Net):	1.40 Kg
Giftbox Size(WxDxH):	350 x 65 x 750 mm
Weight(Gross):	1.74 Kg
EAN number:	5712505265444
Item number:	20643
Shipping carton QTY:	5

Contents:

- Antenna.
- Power inserter.
- Mast clamp.
