

# STD2000 Cash Drawer

## A ROBUST, HIGH VOLUME CASH DRAWER

The STD2000, which accepts the majority of European currencies, is a tough & dependable cash drawer designed to offer generous storage and a stable, strong EPOS platform for a prolonged lifetime.

### High Capacity

The removable insert can accommodate 8 coins and 4 notes. Extra deep coin cups and note compartments allow for a substantial quantity of cash to be stored within the drawer with additional storage underneath the coin compartments.

### Durable

With a robust steel construction and steel ball bearing runners, the STD2000 is a hard wearing cash drawer suitable for a wide range of retail environments.

### Multiple Storage

The drawer also provides further storage behind the insert, with an area that can be adapted to hold a variety of media or high value items.

### Functional

The removable coin cups sit in a lift-out tray to make it easy to transport the coins to the back office.
