IOGEAR®

G2LU3CHD02

USB-C to 4K HDMI Cable

- Easily connect a USB-C laptop to a 4K HDMI display
- Enjoy stunning Ultra HD 4K video at resolutions to 3840 x 2160 @ 60Hz
- Compatible with USB-C & Thunderbolt 3 laptops and tablets[1]
- A single cable solution - No additional cables needed
- Reversible design provides quick, easy plugging
The New Universal Standard

USB Type-C™ is the latest universal standard in connectivity. Compared to earlier generations of USB connectors, USB-C supports ultra-thin laptops and tablets. USB-C's low-profile design packs a big punch when it comes to speed, power and data transfers. And best of all, it's reversible for hassle-free connections eliminating the frustration of fumbling with the USB plug when connecting it to a computer.
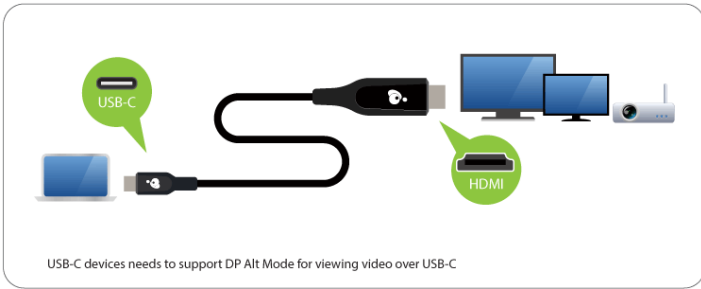

4K HDMI 2.0 Support

This premium high-speed HDMI cable reliably supports the features of the high-bandwidth HDMI 2.0 specification, including 4K (2160p) resolutions up to 60fps and High Dynamic Range (HDR). This translates to a broader, more vibrant range of colors including deeper hues and brighter whites. With the ability to deliver full 18Gbps bandwidth (6.0Gbsps/channel) and support for high-definition audio standards such as DTS-HD Master Audio™ and Dolby TrueHD™, this cable is the ideal solution for all your 4K and high-speed HDMI display needs. The IOGEAR USB-C to 4K HDMI cable is also CEC and HDCP-compliant and is backward compatible with earlier HDMI versions.

- Easily connect a USB-C laptop to a 4K HDMI display
- Enjoy stunning Ultra HD 4K video at resolutions to 3840 x 2160 @ 60Hz
- Compatible with USB-C & Thunderbolt 3 laptops and tablets[1]

- A single cable solution - No additional cables needed
- Reversible design provides quick, easy plugging
- Backwards compatible with 1080p HDMI displays

[1]Laptops & tablets with USB-C DP Alt Mode support

USB-C devices needs to support DP Alt Mode for viewing video over USB-C

Requirements

- USB-C (Thunderbolt 3 compatible) device with DP Alt Mode support
- HDMI Display / Monitor

Package Contents

- 1 x G2LU3CHD02
- 1 x Warranty Card

Specifications

Function	G2LU3CHD02
Cable Length	6.6ft (2m)
Connectors (Input)	USb-C Male
Connectors	
Video Output	HDMI 2.0 Male
