### Labor and travel expenses included

Travel and labor expenses are included in most service contracts. Please see the statement of work for the service specifics.

### 7x24 Upgrade option

If you are like most businesses, you want your systems up and running during your busiest hours. In order to accommodate your busy schedule, APC offers an option to schedule services off hours. We will work with you to find a time when servicing your system is least likely to impact your productivity, saving your business time and money.

### Equipment positioning

APC will position the equipment in its final location within the installation site, saving you the hassle of moving large cumbersome components and pallets through tight spaces.

### Physical assembly

From rack assembly to module installation and internal wiring, APC will put together all the pieces of your solution.
