T10000 Power Bank
POWER IN YOUR BACK POCKET

T10000 Power Bank

The slim and compact ADATA T10000 with 10,000mAh capacity puts a lot of backup power in your back pocket.

Slim and Beautifully Textured

At just 15mm thick (thinner than a smartphone), the T10000 slips into bags and pockets with ease.   Its textured surface finish gives the power bank a sophisticated look and feel, and won't pick up unsightly fingerprints.

High-Quality Components

With high-quality lithium polymer batteries, a durable and fire-resistant outer casing, and multiple forms of circuit protection, the T10000 offers stable performance, lasts longer, and ensures safety.

Complies with CB IEC 60950
Built safe - fire resistant and impact-test certified
