- Voice control with Google Assistant or Amazon Alexa
- Product weight: 72 g (one switch)

SMART HOME switch, WiFi 2.4GHz, 1xCEE 7/3, 10A, timer, 220-240V, 3-pack white

With the DELTACO SMART HOME app you handle all the switch operation. The installation goes very quickly and smoothly, the only thing you need is a functioning wireless network, ie. no special hubs or gateways. In the app, in addition to turning the power switch on or off, you can also set a timer if you want the power switch to turn off after a certain time. Alternatively, you can schedule specific times when it should be turned on or off. The DELTACO SMART HOME app also offers the possibility to create automatic actions. For example, the power switch turns off when the sun goes down, or if you want to group more power switches together to perform the same thing at a given time. The DELTACO SMART HOME app is of course available for free download for both Android and iOS.

The SH-P01 can also be paired and voice-controlled together with Google Assistant or Amazon Alexa to easily integrate and become a part of the smart home.

SPECIFICATIONS

Product weight	0.52 kg
Color	White
Socket Type	CEE 7/3
Connector	CEE 7/7
Child proof	1
Number of Sockets	1

LOGISTIC

Item number	SH-P01-3P
Manufacturer part number	SH-P01-3P
Country of origin	China
Sales unit bar code	7333048045355
Sales unit height	130 mm
Sales unit width	200 mm
Sales unit depth	65 mm
Sales unit gross weight	0.22 kg
Sales unit net weight	0.22 kg
Inner carton height	210 mm
Inner carton width	357 mm
Inner carton depth	145 mm
Inner carton weight	1.88 kg
Inner carton quantity	5
Master carton height	372 mm
Master carton width	445 mm
Master carton depth	316 mm
Master carton weight	7.50 kg
Master carton quantity	20
