

DELL AB128183 memory module 16 GB DDR4 2666 MHz

Brand : DELL

Product code: AB128183

Product name : AB128183

16GB, DDR4, RDIMM, 2666MHz

[DELL AB128183 memory module 16 GB DDR4 2666 MHz:](#)

RAM is a type of device that computers use to store information. Adding memory is one of the most popular ways to improve your computer's performance for a small cost.

The speed of memory currently offered may differ from that of the system's original memory, but this memory has been classified as compatible with this system. When combined with other modules, memory will run at the lowest frequency or the highest speed possible for your system.

Dell™ storage offered in the Memory Selector service has passed rigorous quality control and tests confirming compatibility with specific Dell systems, so it is fully compatible with our solutions. The use of ineligible or unbranded third-party products may result in downtime and ultimately expose your business to serious financial loss and expose your entire system to unnecessary risk.

DELL AB128183. Internal memory: 16 GB, Internal memory type: DDR4, Memory clock speed: 2666 MHz

Features		Features	
Buffered memory type	Registered (buffered)	Memory clock speed *	2666 MHz
Internal memory *	16 GB	Logistics data	
Internal memory type *	DDR4	Harmonized System (HS) code	84733020
