

Delock Wireless Qi Fast Charger 7.5 W + 10 W for table mounting

Description

This Qi certified charging station by Delock can be used for wireless charging of a mobile device. Energy transfer by induction eliminates the need for cables and protects the connectors.

Wireless Qi Fast Charging

The charger supports fast charging of up to 7.5 / 10 W with appropriately equipped smartphones.

Designed for table mounting

The charger can be inserted into an existing recess of the desk. This is a practical and space-saving solution and allows to easily charge mobile devices.
