

RAM® Powered Cradle for Panasonic Toughbook FZ-N1 & FZ-F1

Secure and charge the Panasonic Toughbook® FZ-N1, or FZ-F1, with this RAM® powered cradle featuring an integrated stylus holder. This powered cradle allows for one-handed docking and removal of the device, works with Panasonic hand straps, regular and extended batteries, while leaving all buttons, microphones, speakers, and the headphone jack exposed. For attaching to a wide range of RAM® arms and mounting accessories, the cradle is RAM® Mounts Compatible™ with RAM® B and C size diamond ball bases.

Compatible Devices:

Panasonic FZ-N1
Panasonic FZ-F1

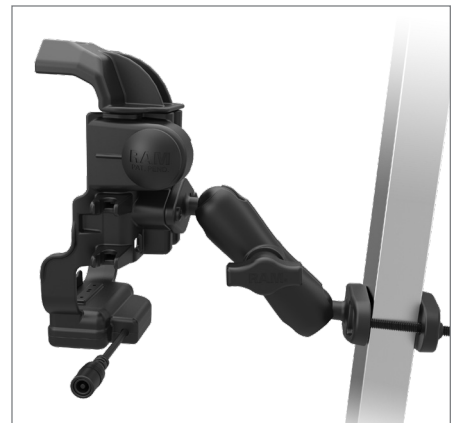

RAM-HOL-PAN11PU

Features:

- Form-fit cradle designed specifically for the Panasonic Toughpad FZ-N1 and FZ-F1 with one-handed docking and removal capabilities
- Compatible with Panasonic handstrap, Passive Stylus, Active Stylus and extended battery pack
- Integrated pogo pin contacts provide charging power to the device; DC power cable for power delivery
- Compatible with B and C size RAM® diamond bases for attaching a double socket arm; ball and socket technology allows for near-infinite adjustability
- Backed by a 3-year warranty

Patented

Note: For faster charging requirements use a Panasonic factory charger
