

# RAM® 6-Port Charging Dock for Tab Active3, Tab Active2 and Tab Active Pro

This RAM® 6-Port desktop dock charging station was designed specifically to support up to six Samsung Galaxy Tab Active3, Tab Active2 and Tab Active Pro devices. With the help of spacers included with this dock, you can dock the Tab Active3 right along side your Tab Active Pro and Tab Active2 devices for simultaneous charging. This desktop dock reduces the amount of charging cords needed to charge each device by consolidating power through one cord and providing each Samsung tablet with its own charging bay to reduce clutter.
