Product code: 310-7579

Product name : RD228

RD228 Remote Control

DELL RD228 remote control RF Wireless Projector Press buttons:

Control your Dell™ projector from anywhere in the room, with the sleek and stylish Remote Control from Dell. It helps you stay in charge of your presentation without being near the projector. It features functional keys like Power, Menu, Volume, Keystone Correction and Video Modes. It also includes a One-directional pad which allows you to control the mouse pointer you see on the screen. The remote control comes with a laser button which helps you to point at an object on the screen while delivering a presentation. This product has been tested and validated on Dell systems. It is supported by Dell Technical Support when used with a Dell projector.
