The Targus® Mobile Elite™ Backpack has a robust design that maximises storage.

Strategically located compartments make it easy to find what you're looking for: a soft-lined pocket on the front for sunglasses or valuables, nooks for pens and styluses, and two large side pockets that expand to fit your water bottles. The main compartment accommodates small and large supplies alike, as well as helps you keep up with the ever-evolving necessities of various clients and projects.

For maximum protection, the SafePort® Sling secures your laptop in case it's dropped, and lockable zippers provide enhanced security when you're on the go. Equipped with a top grab handle, padded shoulder straps, or a trolley strap for stack-and-roll convenience, this backpack is the optimal travel companion and stores easily in the overhead compartment.
