LMP USB-C TRAVEL DOCK

USB-C Dock 4K 9 Port

P/N
18641

PRODUCT OVERVIEW

When you are on the road with your MacBook, you need a light yet versatile USB-C dock that let's you connect to the outside world. The LMP USB-C Travel Dock features a foldable USB-C connection cable that can be stowed away nicely and safely when traveling. And with 9 ports, you can connect to just about any peripheral you may encounter.

HDMI and Mini-DisplayPort support resolutions up to UHD 4K @ 30 Hz while VGA can do 1080p @ 60 Hz – whether a TV, a monitor or a projector, you can connect your MacBook with highest resolutions. Only a single video port may be used at a time. The 2 USB 3.0 ports are capable of supporting 2 external 2.5" HDD/SSD or powering a smartphone or tablet (BC 1.2 1.5A). The Gigabit Ethernet port brings the high-speed network connection to your MacBook while the USB-C port can be used for Power Delivery (PD 3.0). The SD and microSD card reader round up the port array.

The LMP USB-C Travel Dock is made out of aluminum and comes in the colors silver, space gray and gold. A practical pouch is supplied.

P/N 18641
