The custom-matched 100" Ambient Light Reflection screen offers excellent picture quality across its expansive size, equivalent to four 50 inch LED TVs put together. The larger-than-life 100" screen offers sweeping vantages to take your family's breath away in action/adventure movies, nature and wildlife programs, as well as live performances and sports events.

Keep the Lights On

The advanced Ambient Light Reflection screen employs a special zigzag structure to absorb 93% of environmental light, so families can enjoy bright entertainment in living rooms without turning the lights down.
