BT5920

FIXED CEILING MOUNT FOR Ø38MM POLES

The BT5920 is a ceiling mount from B-Tech's System V Range; a collection of components designed for the installation of CCTV and other ceiling mounted equipment. Based around the use of BT5935 ø38mm poles, users of System V can create custom ceiling mounted solutions that suit their specific needs, using compatible B-Tech mounting interfaces and accessory collars to mount CCTV dome cameras and other AV equipment such as flat screens.

SPECIFICATION

Max load	75kg
Drop	103mm
Ceiling plate diameter	120mm
Colour	White

FEATURES

- Allows **BT5935** ø38mm poles to be mounted from the ceiling
- Heavy duty steel capable of supporting substantial loads
- Multiple grub screws allow micro-adjustment of the pole to ensure a perfectly angled drop
- Safety bolt ensures pole and ceiling mount are securely joined
- Integrated cable management through the top or side of the mount
- Create a variety of ceiling mounted CCTV installs using System V's range of components
- Includes cover plate for smart installation

Attaches directly to **BT5935** ø38mm poles

Safety bolt ensures pole and ceiling mount are securely joined

Integrated cable management through the top or side of the mount

Complete off-the-shelf kits also available (image shows BT5960-FD100)
