

RAM® EZ-Roll'r™ Locking Cradle for Garmin dēzl™ OTR700

The RAM® EZ-Roll'r™ cradle for the Garmin dēzl™ OTR700 provides a secure fit with hardware to lock the GPS device into place. With the included cradle lock as a theft deterrent, keep the Garmin dēzl™ OTR700 protected when left inside the vehicle. Complete your ideal mounting solution by choosing from a wide variety of compatible RAM® Mounts bases and components to connect to the cradle. Included is a set of two nuts and bolts to connect the cradle to any RAM® components or mounts that contain the universal AMPS hole pattern.

Compatible Devices:
Garmin dēzl™ OTR700

Features:

- Form-fit cradle designed specifically for the Garmin dēzl™ OTR700, securing your GPS while keeping all buttons and the power port fully accessible
- Locks device in place so it cannot be removed without the use of tools
- Made of high-strength composite for durability and reliability in the most demanding environments
- Backed by a lifetime warranty
