

Cable RJ45 plug to RJ45 jack Cat.6 waterproof with cable gland and bend protection

Description

This waterproof RJ45 set by Delock **protects the Ethernet connection** on the network cable from damage and the effects of the weather. The included cable gland and bend protection in the delivery content can be mounted to the threaded coupling of the RJ45 jack and allows a **watertight seal** to the housing and is **ideal for outdoor use**.

Additional protection through bend protection

Due to the bend protection spiral, the **cable is secured** and **protected from excessive bending**.

IP68 dust and waterproof

The **IP68 protection class** offers increased protection against dirt and moisture for the connection of network cables.

25 cm

Specification

- Connectors:
1 x RJ45 plug
1 x RJ45 jack with threaded coupling
- Cat.6 specification
- Shielded
- Protection class: IP68
- Cable gauge: 26 AWG
- For cable diameter from 6 - 11 mm
- Cable length: ca. 25 cm
- Operating temperature: -10 °C ~ 65 °C
- Material: plastic
- Colour: black / blue

Item no. 66809

EAN: 4043619668090

Country of origin: China

Package: Zip poly bag

Package content

- Cable RJ45 Cat.6
- Bend protection
- Cable gland
