

- Timelessly elegant front panel
- Toolless installation: HDD, ODD, PCI
- Built from 0.7mm sturdy SECC steel

The Chieftec CLASSIC Series brings new life to the proven quality and the decade-old success of the UNI Series with a refreshed front panel design on the outside, while upgrading the quality and features on the inside.

Built from 0.7 mm sturdy SECC and including toolless drive installation kits, the CLASSIC series is perfect for system builders who value true quality and timeless design.
