## **CareFit Pro Medical Cart**

- Modern design: Sleek lines add warmth with convenient touchscreen to help improve uptime
- Easy adjustment: Patented technology with infinite brake mechanism offers full sit-to-stand and monitor adjustment for comfortable caregiving
- Long-lasting battery life: Integrated Lithium Iron Phosphate (LiFe) battery keeps carts safely powered for more cycles to alleviate power anxiety
- Hygienic and safe: Internal cable management and easy-to-clean surfaces support infection control; optional UV Angel automated disinfection reduces more than 99% of bacteria
- Improved workflows: Intuitive lighting illuminates tasks without disrupting patients; 5" (12.7 cm) caster design supports mobility and smooth transitions between rooms and floors
- Professional-grade reliability: Built for endurance and longevity with industry-leading load and cycle testing

FULL-FEATURED MEDICAL CARTS FIT YOUR  
CAREGIVERS, WORKFLOWS AND ENVIRONMENTS

## CAREFIT™

Designed for untethered productivity, CareFit Pro helps relieve caregiver burnout and inspire meaningful patient experiences. It's highly customizable to adapt to specific workflows, so nurses can attend to patients, not technology. On-cart or hot swap battery options ensure a dependable, long-lasting charge so caregivers can say good-bye to power anxiety. Optional UV-C keyboard disinfection, combined with a sleek, easy-to-clean design, creates a hygienic mobile workstation that enhances healing spaces.

# CAREFIT™

FULL-FEATURED • HIGHLY CUSTOMIZABLE • INDUSTRY-LEADING

- 1 180° pan for monitor and keyboard
