Black Floor Cable Cover

A perfect and nice, semi-permanent and permanent solution to eliminate cable clutter on the floor. The aluminum material of this cable cover provides both solid construction and elegant appearance. To prevent the ducting from moving, attach double-sided tape at the bottom. The flexible lid design allows different ways to easily insert or remove the wires. Rugged end caps at both sides of the aluminum floor cable cover protect the entry and exit of cable runs. The product is ideal for homes, offices and workshops.
