

Targus AMP06704AMGL remote control Bluetooth Game console Press buttons

Brand : Targus

Product code: AMP06704AMGL

Product name : AMP06704AMGL

AAA, grey, PCs/Macs

[Targus AMP06704AMGL remote control Bluetooth Game console Press buttons:](#)

Sleek and simple, the Control Plus Dual Mode Antimicrobial Presenter with Laser offers a simplistic button layout and integrated laser pointer, making it easy to give presentations. Connect the presenter via a USB receiver or Bluetooth and control your presentation up to 20 meters away. The USB receiver supports AES 128-bit encryption and seamlessly stores within the presenter. It even features a light indicator when the USB receiver is detached from the presenter, reducing the risk of leaving it behind.

Both stylish and functional, the Control Plus Dual Mode Antimicrobial Presenter with Laser is also ergonomic and features antimicrobial properties that help prevent bacteria growth on the presenter itself. The presenter comes equipped with one AAA battery and has an LED low battery alert when it's time to change the battery.
