

ergotron®

moving you forward

StyleView Pole Cart

- Professional grade: Quality design offers versatility and value
- Heavy-duty handle: Convenient access point for precise movement
- Unhindered mobility: Heavy-duty casters easily move between rooms or floors
- Compact footprint: Slender design fits closely to a patient's bedside, student desk and more
- Modular architecture: System quickly adapts to changing technology and needs
- Customizable cart: VESA plate and T-slot supports a variety of accessories

MULTI-PURPOSE POLE CART ADAPTS TO YOUR NEEDS

STYLEVIEW™

Choose a versatile solution that fits your changing needs. The StyleView Pole Cart moves your technology, supplies and more wherever you need them, even tight spaces like patient bedsides, next to student desks, crowded manufacturing floors or public spaces. The simple design with optional hot swap power (required adapter brackets coming soon) travels easily across any surface with durable casters. Add accessories, like a tablet or thermal imaging camera, to fit your workflows.

STYLEVIEW™

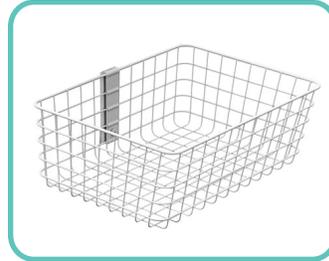

**LiFeKinnex™
