

SA11 Privacy Screen Filter for iPad Pro 11”

Privacy begins on screen.

K50720WW

Product Description

The SA11 Privacy Screen Filter for iPad Pro 11” helps protect your privacy, simply and easily. A washable, reusable adhesive makes installation – and re-installation – simple, with no unsightly bubbles. Protects privacy by limiting viewing angle to +/- 30° in landscape and portrait mode for full four-way protection. Reduces harmful blue light by up to 22%, diminishes glare, improves clarity and protects from scratches and damage. Includes cleaning cloth and acrylic storage solution to help keep it lint and dust free when not in use.

Features

- A washable, reusable adhesive makes it easy to install, detach and reattach, with no unsightly bubbles.
- Limited viewing angle narrows the field of vision to +/- 30 degrees in landscape and portrait mode for full four-way protection. Helps keep the information on your screen private from all sides, reducing the chance of a visual data breach in the office or in public.
- Blue light reduction filters out harmful rays by up to 22%, easing eye strain and reducing the chance of interrupting sleep patterns.
- Low reflective coating reduces glare for improved clarity.
- Helps keep iPad Pro screen free from scratches and damage.
- Cleaning cloth helps to keep screen clean.
