ZYXEL

Zyxel USGFLEX500H hardware firewall 10 Gbit/s

Brand : Zyxel

Product code: USGFLEX500H-EU0102F

Product name : USGFLEX500H

- Ultra high Firewall/VPN/UTM performance
- New powerful uOS accelerates system response time with user friendly design
- AI-powered cybersecurity - High assurance multi-layered protection against cyber threats
- User defined port flexibilty with MultiGig and PoE+
- VPN utility now available in multiple OS platforms

FLEX500 H Series, User-definable Ports with 2 * 2.5G, 2 * 2.5G(PoE+) & 8 * 1G, 1*USB with 1 YR Security Bundle

Zyxel USGFLEX500H. Firewall throughput: 10 Gbit/s. Security algorithms: SSL/TLS. Management platform: uOS. Connectivity technology: Wired, Ethernet LAN data rates: 10,100,1000 Mbit/s. Firewall throughput: 10000 Mbit/s

Data transmission		Management features	
Firewall throughput *	10 Gbit/s	Management platform	uOS
Network		**Ports & interfaces**	
Wi-Fi	✖	Connectivity technology	Wired
Security		USB 2.0 ports quantity	1
Security algorithms	SSL/TLS	Ethernet LAN (RJ-45) ports	12
Firewall security	✔	Ethernet LAN data rates	10,100,1000 Mbit/s
Management features		**Other features**	
LED indicators	✔	Firewall throughput	10000 Mbit/s
