

Lindy 500m Fibre Optic DVI-D Dual Link Extender

Brand : Lindy

Product code: 38106

Product name : 500m Fibre Optic DVI-D Dual Link Extender

500m Fibre Optic DVI-D Dual Link Extender

[Lindy 500m Fibre Optic DVI-D Dual Link Extender:](#)

Easy to set up and install this compact Fibre Optic DVI-D Dual Link Extender is a cost effective, high quality solution for sending DVI-D signals up to 500m without any compression or degradation over MPO Multimode cable.

Unlike other solutions, this extender uses just a single fibre cable to reach such great lengths. The system comprises of transmitter and receiver modules that connect directly to the digital source and display via DVI-D. The modules are then connected using a single, MPO fibre optic cable (not included).

Please note - We recommend using 50/125µ or 62.5/125µ MPO multimode fibre cable. Please contact Technical Support for further advice.
