[Lindy 0.3m Cat.6 S/FTP Network Cable, Grey:](#)

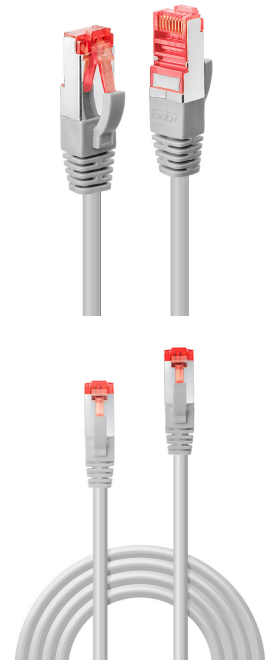

Lindy's Cat.6 Patch Cables are manufactured and tested to conform with the ISO 11801 specification. A robust snagless strain relief design prevents damage

to the connector latch during installation and removal. Gold plated pins ensure complete signal integrity no matter the application.

Each cable is packaged in a polybag, Cables of various colours are also available and therefore ideally suited for structured cabling in server cabinets or wall cabinets.

RJ45 connectors offer universal connectivity to computers and network components, such as routers, switches, network printers and network attached storage devices.

These cables are also ideal for use in data centres, rack spaces, server rooms and network cabinets. Additional uses include security systems and AV installations.
