

GHSP8424B

4-Port Cinema 4K Splitter with HDMI connectors

- Send audio & video from 1 HDMI source to 4 HDMI displays
- Cinema 4K resolutions up to 4096 x 2160 @ 60Hz, (4:2:0)
- Long distance connections to 49 ft. (24 AWG)
- Dolby True HD and DTS HD Master Audio
- Supports up to 10.2 Gbps data speeds for high performance video

4-Port Cinema 4K Splitter With HDMI®

Send Cinema 4K audio and video from a single HDMI source such as a set-top box, game console, Blu-ray™ player or media server or computer to four 4K displays or projectors.

Highest Quality Video at Extended Distances

Deliver exceptional Cinema 4K resolutions (4096 x 2160 @ 60Hz) with crisp, 3D, and Deep Color images up to 4K 12-bit (4:2:0), or 68 billion colors, for a remarkable visual experience. The splitter extends the distance between your HDMI video sources and your HDMI displays up to 49 feet with data rates up to 10.2 Gbps, providing greater flexibility in system design.

Requirements

- Video source with HDMI output
- Display with HDMI input

Package Contents

- 1 x GSP8424B 4-Port Splitter with HDMI Connectors
- 1 x Power Adapter
- 1 x HDMI Cable
- 1 x Mounting Kit
- 1 x Quick Install Guide

Specifications

Function	GHSP8424B	Dimensions	GHSP8424B
Video connections		Unit Dimensions	
Input	HDMI Type A Female	Height	0.98 in
Output	HDMI Type A Female	Depth	3.15 in
Video Resolution	4096 x 2160 @ 60Hz	Length	7.87 in
Video Streaming	Max Data Rate 10.2 Gbps	Unit Package Dimensions	
Power Consumption	6.02W	Width	9.375 in
Power Adapter	5.3V/2.4A	Height	6.25 in
Environment		Depth	2.25 in
Operation Temperature	32~122°F (0~50°C)	Master Carton	
Storage Temperature	-4F ~ 140F (-20 - 60C)	Width	15.125 in
Humidity	0 - 80% RH, Non-Condensing	Height	7.125 in
Warranty	3 - Years	Depth	10.50 in
		Master Carton Qty.	6
		Weight	
		Master Carton Wt.	12.70 lb
		Unit Wt. w/accessories	1.90 lb
		Unit Wt.	1.05 in
