# Delock RJ45 Network Cable Cat.6A U/FTP ultra flexible with inner metal jacket 2 m black

Description

This network cable by Delock can be used to connect different networking devices, e.g. a NIC to a switch or a patch panel.

Ultra flexible with inner metal jacket
The robust network cable offers an increased protection against damage and outer influences such as moisture, dust or damaging rodents. Despite the metal sheath, the cable remains bendable and high flexible.
