

## AXIS TQ3601-E Conduit Back Box

IP66/67 rated back box with conduit entrance

Compatible with a wide range of Axis network cameras and especially made for cameras with larger diameters between 184-198 mm (7.2-7.8 in). Available in white, for both outdoor and indoor use this IP66/67 rated back box will withstand challenging outdoor conditions. The back box offers a sealed compartment for secure storage of connectivity devices. 3/4" / M25 conduit interface from both side and back, impact resistant (IK10) and both network cable and extra gaskets are included.

- > **Storage space for cable slack or various system devices**
- > **Impact resistant (IK10) against vandalism attempts**
- > **IP66/67 rated**
- > **Easy installation**
- > **3/4" / M25 conduit interface from both side and back**
