The Silent Wired Office mouse is a simple yet efficient computer mouse that is designed to be used in a professional setting.

This wired mouse boasts five programmable buttons, including a scroll wheel, left and right-click buttons, and two additional side buttons. With an adjustable DPI sensitivity of 600 to 1200, you can customize the cursor speed to fit your needs. The sleek black design of this mouse exudes power and professionalism, making it a must-have for any serious office or home workspace. Plus, it operates silently, so you can focus on dominating the competition without any annoying distractions.
