HDMI CEC Less Adapter, Female to Male

[Lindy HDMI CEC Less Adapter, Female to Male:](#)

Blocks HDMI CEC signals when there is an incompatibility

Use this adapter when you have problems with incompatibilities between IR remote controls; such problems tend to occur now and then in installations with HDMI splitters and -switches.

The adapter does not pass on the CEC signal further. In principle, you only need to use this adapter upstream of the incompatible devices. However, several adapters installed upstream of a number of devices can be used.

Lindy HDMI CEC Less Adapter, Female to Male. Connector 1: HDMI Type A, Connector 2: HDMI Type A, Connector contacts plating: Gold. Product colour: Black
