

## TP-Link Tapo C425 Bullet IP security camera Outdoor 2560 x 1440 pixels Ceiling/wall

**Brand :** TP-Link

**Product family:** Tapo

**Product code:** TAPO C425

**Product name :** Tapo C425

1/3" Progressive Scan CMOS, 2K QHD 4MP (2560 x 1440 px), 850 nm IR LED, 802.11 b/g/n wifi, 10000mAh battery, IP66, 235g

TP-Link Tapo C425. Type: IP security camera, Placement supported: Outdoor, Connectivity technology: Wireless. Mounting type: Ceiling/wall, Product colour: White, Form factor: Bullet. Field of view (FOV) angle: 150°. Sensor type: CMOS, Optical sensor size: 25.4 / 3 mm (1 / 3"). Night vision distance: 15 m, LED type: IR, Infra-red wavelength: 850 nm

| Performance                        |                      | Audio                         |                                     |
|------------------------------------|----------------------|-------------------------------|-------------------------------------|
| Type *                             | IP security camera   | Audio system                  | 2-way                               |
| Placement supported *              | Outdoor              | Built-in microphone           | ✓                                   |
| Connectivity technology *          | Wireless             | <b>Network</b>                |                                     |
| Built-in light                     | ✓                    | Ethernet LAN *                | ✗                                   |
| <b>Design</b>                      |                      | Wi-Fi *                       | ✓                                   |
| Form factor *                      | Bullet               | Wi-Fi standards               | 802.11b, 802.11g, Wi-Fi 4 (802.11n) |
| Mounting type *                    | Ceiling/wall         | Wi-Fi data rate (max)         | 72.2 Mbit/s                         |
| Product colour *                   | White                | Bluetooth *                   | ✗                                   |
| LED indicators                     | System               | Channel bandwidth             | 2400 MHz                            |
| International Protection (IP) code | IP66                 | <b>Storage</b>                |                                     |
| Weatherproof                       | ✓                    | Built-in HDD *                | ✗                                   |
| <b>Camera</b>                      |                      | Card reader integrated        | ✓                                   |
| Field of view (FOV) angle          | 150°                 | Compatible memory cards       | MicroSD (TransFlash)                |
| <b>Image sensor</b>                |                      | Maximum memory card size      | 512 GB                              |
| Number of sensors                  | 1                    | <b>Ports &amp; interfaces</b> |                                     |
| Optical sensor size                | 25.4 / 3 mm (1 / 3") | USB port                      | ✓                                   |
| Progressive scan                   | ✓                    | <b>Security</b>               |                                     |
| Sensor type *                      | CMOS                 | Video motion detection        | ✓                                   |
| <b>Lens system</b>                 |                      | Security algorithms           | WPA2-PSK                            |
| Number of lenses *                 | 1                    | <b>Management features</b>    |                                     |
| <b>Night vision</b>                |                      | Reset button                  | ✓                                   |
| Night vision *                     | ✓                    | <b>Power</b>                  |                                     |
| Night vision distance              | 15 m                 | Power source type *           | Battery, DC                         |
| LED type                           | IR                   | AC input voltage              | 100 - 240 V                         |
| Infra-red wavelength               | 850 nm               | AC input frequency            | 50 - 60 Hz                          |

| Video                          |                    | Power                      |           |
|--------------------------------|--------------------|----------------------------|-----------|
| Maximum resolution *           | 2560 x 1440 pixels | DC output voltage          | 5         |
| Total megapixels *             | 4 MP               | DC output current          | 2 A       |
| Video formats supported        | H.264              | Battery capacity           | 10000 mAh |
| Supported graphics resolutions | 2560 x 1440        | Rechargeable battery       | ✓         |
| Supported video modes          | 1440p              | Weight & dimensions        |           |
| Frame rate                     | 30 fps             | Weight                     | 235 g     |
| Audio                          |                    | Packaging content          |           |
| Built-in speaker(s)            | ✓                  | Number of cameras *        | 1         |
|                                |                    | Cables included            | USB       |
|                                |                    | Mounting brackets included | ✓         |
|                                |                    | Screws included            | ✓         |
|                                |                    | Mounting template          | ✓         |
