

DELL 770-BBIF rack accessory

Brand : DELL

Product code: 770-BBIF

Product name : 770-BBIF

2/4 Post static rail kit

[DELL 770-BBIF rack accessory:](#)

- Provides tool-less support for 4-post racks
- Support a wider variety of racks

The ReadyRails™ static rail kit from Dell™ provides tool-less support for 4-post racks with square or unthreaded round mounting holes including all generations of Dell racks. The static rails support a wider variety of racks than the sliding rails but do not support serviceability in the rack and are thus not compatible with the CMA.
