

High- capacity, fast colour printers for busy workgroups.

Fast colour laser printers packed into a compact footprint. These high-capacity printers are ideal for demanding workplaces.

#### Fast and flexible printing

- Full colour printing at either 33 ppm (LBP710Cx) or 38 ppm (LBP712Cx)
- Ideal for busy working environments that demand a reliable, versatile printer.
- The ability to have up to 4 high-capacity paper feeder cassettes (\*only available on LBP712Cx)

#### High-capacity in a small footprint

- Large 650-page capacity as standard, expandable to 2,300 pages (\*only LBP712Cx).
- A compact and capable office companion, this larger capacity still comes in a small package.
- Built for versatility, from A5 to A4 double-sided documents, they are ready to deliver in seconds.

#### Working on the go

- Support for Apple AirPrint (iOS) and Mopria (Android), you can print easily from any compatible device.
- Benefit from more advanced features with the Canon PRINT Business mobile app.
- Google Cloud print-ready for seamless integration.

#### Higher capacity toner cartridges

- The toner seal inside the cartridge is now automatically removed when the cartridge is fitted, cutting down on waste and installation time.
- In the same compact size, the new Genuine Canon toner cartridges now have a higher capacity, letting you be even more productive.

#### Canon's exceptional image quality

- These devices produce superior colour graphics, images and text in laser quality prints to make a greater impact on the reader.
- Canon's renowned image expertise ensures that businesses of any size can produce professional looking documents

#### Smart networking capabilities

- Support for PCL5e/6 and Adobe PostScript printer languages enable hassle-free integration into managed network
- The devices are equally well-suited to managed print service environments and are compatible with Canon's e-Maintenance remote service management system.
- The LBP710 series can also be integrated into Canon's uniFLOW output management platform, bringing you the efficiency and security of My Print Anywhere plus the added benefits of accounting and cost recovery.
