VIDEO WALL MOUNT PDVW QR XL

Quick Release Video Wall Mount

High-end video wall mount with quick release service for installation of NEC Large Format Displays from 65" to 98" in a video wall setup or for single screen installations.

The PDVW QR XL full service videowall mount with quick release offers an easy to install and service solution for both landscape and portrait orientation. With the quick release functionality, users have the ability to articulate the display from the wall by gently pressing on the front of the display. Featuring tool-less micro-adjustment at eight points, the mount can overcome uneven walls to create a seamless videowall.

PDVW QR XL

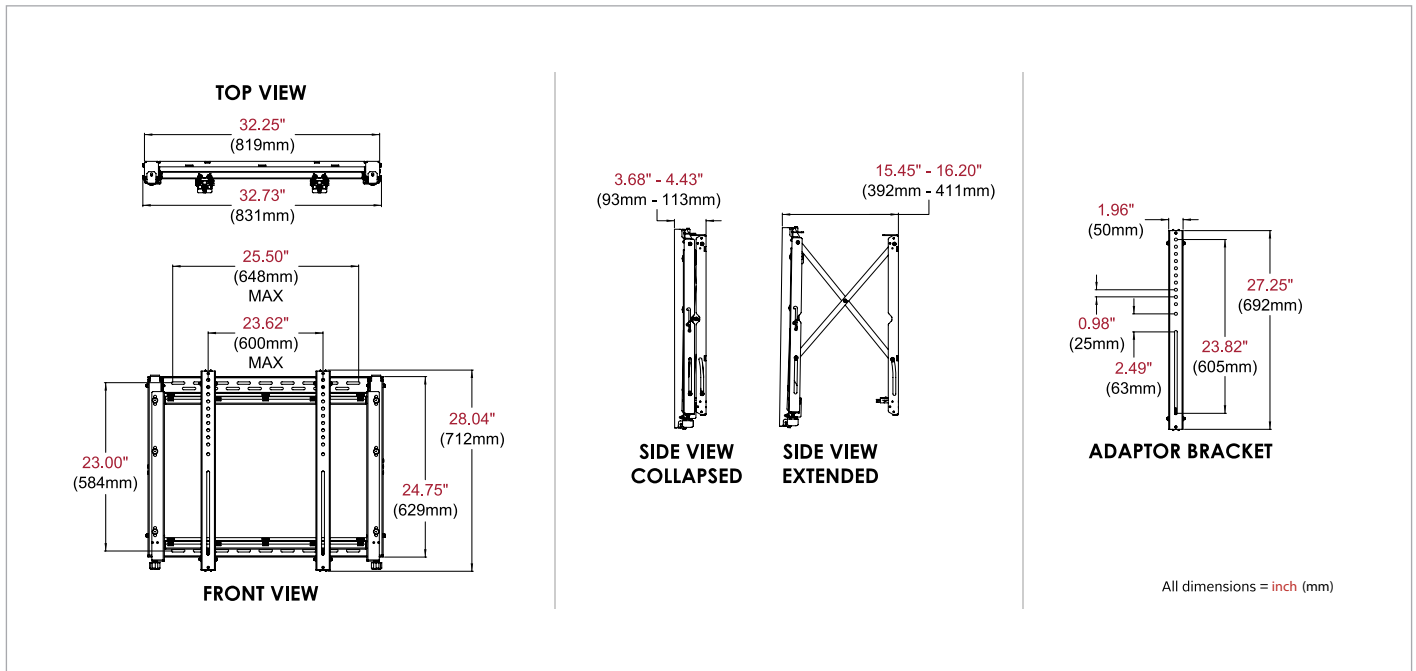

Delivering Genuine Benefits

- Quick release pop out mechanism provides convenient display access in recessed applications
- Quick release can be disabled with a locking screw to prevent unintentional pop-outs
- Carriage extension force can be adjusted to accommodate the weight of the display allowing the quick release to activate with gentle force
- Tool-less micro adjustments at 8 point seamlessly align the displays
- Accommodates displays in landscape and portrait orientation
- Integrated cable management tie-backs make display-to-display cabling simple
- Ready-to-install right out of the box

Tool-less micro adjustment
