# NEC Tipster Trolley

Stylish and flexible mobile mounting solution

For robust handling of mobile visualization, the Tipster Trolley delivers with modern, minimalist style.

The trolley offers three different mounting heights to ensure your display is appropriately positioned for your audience. Suitable for presentation use across multiple huddle spaces or for temporary wayfinding, information or emergency signage; with 4 large lockable wheels, your display can be easily moved between locations. The trolley is suitable for displays weighing up to 50kg and provides VESA-standard 300x300mm and 400x400mm mounting options.

## 55 infinityBoard + Tipster Trolley

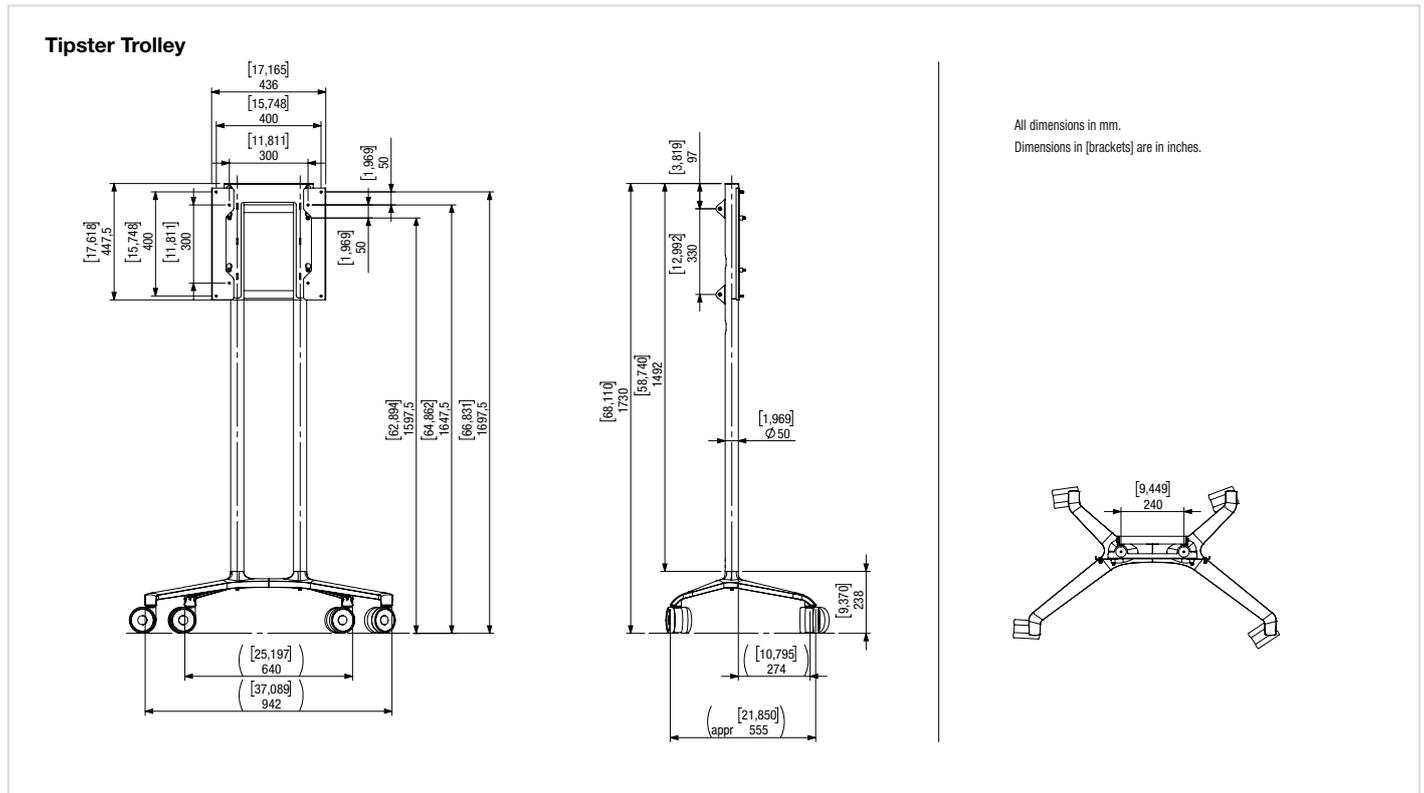

## Tipster Trolley

## Delivering Genuine Benefits

- **Quick and easy installation** – a simple design and easy mounting ensure speedy implementation.
- **Mounting flexibility** – with two VESA standard mounting options and three different height settings.
- **Neat and tidy solution** – coloured black matching NEC's LFDs, the trolley matches NEC's cabling form a holistic profile with sleek styling.
